Index to Vol. LXI

Electrical Review and Western Electrician

JULY 6 TO DECEMBER 28, 1912

Articles marked * are illustrated; (E) indicates "Editorial."

A

Accidents in Great Britain, electrical (E) 241
Accounting, central-station 842
Accounting, central-station, by E. J. Cody 893
Accounting, electric railway express and freight 732
Accounting, engineering..... 730
Accounting for contractors (E)..... 915
Accounting for electrical contractors, system of, by F. L. Decker*..... .....832, 883, 929
Acid-proofing the floors of battery rooms 1234
Acme Brewing Company, electrical installation at plant of, by V. V. Newell*. 364
Acuity tests with direct and indirect lighting 245
Adapter, Ajax tungsten*..... 184
Adaptiboxes for conduit work*..... 853
Advertising and progress, systematic. 208
Advertising campaign, national co-operative electric vehicle, by Frank W. Smith 737
Advertising, co-operative central-station* 1165
Advertising, electrical 685
Advertising, flexibility of electrical (E) 817
Advertising for central stations, program 975
Advertising in German, central station 970
Advertising in Henderson, Ky..... 255
Advertising, motion-picture 11
Advertising of Sandusky Gas & Electric Company 686
Advertising, the value of 1213
Aerial navigation and wireless telegraphy 562
Aeroplanes discussed by Chicago Electric Club 1031
Aeroplanes, electrical illumination of. 676
Agreeableness, the value of (E)..... 1202
Agricultural, application of electricity to, by C. H. Miles..... 797
Air compressor for torpedo service, motor driven*..... 1048
Air, dielectric strength of, by F. W. Peek, Jr. 31
Air, electric strength of, by John B. Whitehead 20
Alarm for water gauge, electric..... 310
Alarm system, installation and operation of automatic hot-journal, by H. G. Wilson*..... 595
Alexalite indirect lighting fixtures*... 1232
Allegheny County Light Section, National Electric Light Association.. 993
Alloy, new 371
Alternating currents, elementary notes on* 158, 353, 399
Alternating currents, surface leakage with, by G. L. Addenbrooke..... 198
Alternators, transit reactions of, by W. A. Durgin and R. H. Whitehead 30
Aluminum lightning arresters in railway service 182
Aluminum, new plant for production of 662
Aluminum production in France.... 359
Aluminum, water-softening by aid of. 758
American Electric Railway Accountants' Association, convention of.. 733
American Electric Railway Association, convention of.....628, 678, 725
American Electric Railway Claim Agents' Association convention of 733
American Electric Railway Engineering Association, convention of.... 728
American Electric Railway Manufacturers' exhibit 738
American Electric Railway Transportation and Traffic Association, convention of 731
American Electrochemical Society, fall meeting of.....52, 342
American Electrochemical Society spring convention, 1913..... 1188
American Institute of Chemical Engineers, fifth annual meeting of.. 968
American Institute of Consulting Engineers 1060
American Institute of Consulting Engineers, annual meeting of..... 1108
American Institute of Electrical Engineers, annual convention of.... .....20, 78, 82
American Institute of Electrical Engineers, Chicago Section, joint meeting with Electrical Section, Western Society of Engineers.654, 1042
American Institute of Electrical Engineers, convention of (E)..... 1
American Institute of Electrical Engineers, Lewis Institute Section.. 868
American Institute of Electrical Engineers, meeting of board of directors of.....342, 772, 964, 1187
American Institute of Electrical Engineers, Philadelphia Section..... 1012
American Institute of Electrical Engineers, Pittsburgh Section..... 868
American Institute of Electrical Engineers, Schenectady Section..... 292
American Institute of Electrical Engineers, sections and student branches of 52
American Institute of Electrical Engineers, 276th meeting of..... 740
American Institute of Electrical Engineers, 277th meeting of..... 936
American Institute of Electrical Engineers, 278th meeting of..... 1183
American Mining Congress, annual meeting of 532
American Museum of Safety to award annual medal 503
American Society of Mechanical Engineers, convention of..... 868
American Society of Mechanical Engineers, meeting of..... 841
American Society of Mechanical Engineers, student branches of..... 63
American Society of Mechanical Engineers to visit Germany..... 868
American Telephone & Telegraph Company, Department of Justice to attack 388
Ammeter circuit, interesting*..... 164
Ammeter connection for testing board* 64
Anniversary of electric lighting in New York 486
Annunciator wires, tool for installing* 982
"Any Lite" dimming regulator*..... 38
Apartment houses, electric wiring in*. 110
Apartment-house wiring, some unusual construction in*..... 1214
Apartments, service to tenants of..... 292
Appalachian Power Company, progress in New River development of.... 6
Appalachian Power Company, trip to New River plant of..... 4
Arc lamp, Hughes expansion-wire*... 371
Arc-lamp photometry, double-arm exploring mirrors for*..... 1191
Arc-lamp trouble..... 934
Association Island conference, co-operation in electrical industry discussed at* 340, 505
Association of Edison Illuminating Companies, convention of..342. 532, 607
Association of Iron and Steel Electrical Engineers, convention of.. .....533, 630, 697
Association of Railway Electrical Engineers, convention of....532, 774, 848
Association of Railway Electrical Engineers, exhibits at convention of. 854
Attachment-plug receptacles* 901
Auction, a noiseless produce (E)..... 530
Automatic telephony in England..... 292
Automobile air spring, Westinghouse*. 566
Automobile, Dey electric*..... 226
Automobiles, starter for..... 72
Auto-starters, mounting of..... 67

B

Balancer sets for Singer Tower illumination* 1141
Ball game, electricity at..... 692
Baltimore Consolidated Section, National Electric Light Association. 966
Battery-charging apparatus, electric vehicle, by Robert E. Russell.... 739
Battery, Edison storage, by Harold H. Smith 739
Battery for vehicles, some recent developments in lead, by Bruce Ford 738
Battery rooms, acid-proofing the floors of 1234
Bell control, convenient*..... 599
Bell plan for pensions and insurance.. 918
Belts, glue for splicing motor..... 788
Bending conduit* 454
Bending conduit, note on, by Henry Fleishman* 498
Bending device* 262
Berg, Ernst J.*..... 869
Bergmann, Sigmund*..... 1157
Berliner, Emile* .....‡..‡..... 1205
Bierdemann, R. C..... 63
Birmingham (Ala.) Association of Electrical Engineers, new officers for 964
Blanket, Ozone electric*..... 1191
Block signal system..... 470
Block Signals for Electric Railways, report of Joint Committee of American Electric Railway Engineering Association and American Electric Railway Transportation and Traffic Association on..... 729
Blower unit for shipboard use, motor-driven, by Frank E. Fisher.*.... 553
Boats, electric propulsion of Canadian 471
Boiler efficiencies 558
Boiler shops electricity in*..... 343
Boilers, improvement in steam..... 198
Bolt, Van expansion*..... 658

Book Reviews:

A Laboratory Manual of Alternating Currents, by John H. Morecroft 1230
Alternating-Current Design, by Julius Frith 945
Applied Methods of Scientific Management, by Frederic A. Parkhurst 946
Brazing and Soldering, by James F. Hobart 362
Der Elektrizitätszähler, by R. Ziegenberg 1188
Electric Lighting, by William Suddards Franklin 362
Electric Traction for Railway Trains, by Edward P. Burch.... 898
Elements of Drawing, by George F. Blessing and Lewis A. Darling 946
Engineering as a Vocation, by Ernest McCullough 897
Hand Forgings, by Thomas F. Googerty 362
House Wiring, by Thomas W. Poppe 1043
Hygiene for the Worker, by William H. Tolman and Adelaide Wood Guthrie 1231
Laboratory Exercises in Physical Chemistry, by J. N. Pring..... 124
Mechanical Equipment of Federal Buildings Under the Control of the Treasury Department, by Nelson S. Thompson... 1231
Mechanical World Pocket Diary and Diary and Year Book for 1913 1231
Precis de Télégraphie Sans Fils, by J. Zenneck..... 945
Primer of Scientific Management, by Frank B. Gilbreth..... 946
Principes de la Technique de l'Eclairage, by L. Bloch..... 124
Reception des Signaux Radiotelegraphiques Transmis par la Tour Eiffel, by Bureau des Longitudes 1231
Shop Arithmetic, by Earle B. Norris and Kenneth G. Smith..... 657
Small Switches, Etc., and Their Uses, by W. Perren Maycock... 362
Tables and Other Data for Engineers and Business Men, by Charles E. Ferris..... 898
Tables Annuelles Internationales de Constantes et Données es Numiriques de Chimie, de Physique et de Technologie, by the International Committee of the Seventh Congress of Applied Chemistry 1231
The Cornice Work Manual, by Sidney P. Johnston..... 309
The Elements of Structures, by George A. Hool..... 944
The Principles of Parallel Projecting-Line Drawing 1043

SEP 24 1913

131669

BOOK REVIEWS.—*Continued.*

The Theory of Ionization of Gases by Collision, by John T. Townsend 1281
Two Hundred Municipal Ownership Failures, by Glenn Marston. 1054
Wireless Telegraphy and Wireless Telephony, by Charles G. Ashley and Charles B. Hayward..... 657
Wiring Calculations for Electric Light and Power Installations, by G. W. Lummis Patterson.... 1084
Boring holes in slate or marble boards 788
Boston & Maine Railroad, electrification of 1109
Boston Edison Company's farm exhibit* 206
Boston Edison Company Section, National Electric Light Association.. 822
Boston Edison Company, window disp'ay of 592
Boston Electric Motor Car Club..... ..... 580, 648, 821, 966, 1110
Boston Electric Show, 1912*.....561, 649
Boston, electrification at (E)..... 194
Boston, new rate in, for vehicle batteries 637
Boston Plant Chapter, Telephone and Telegraph Society of New England 676
Boston street lighting..... 437
Boston terminal to be electrified..... 198
Bottle, ever-flowing* 373
Box, new switch*..... 659
Boxes, installing 262
Brach grounding device* 1235
Bracket and insulator*..... 405
Brass-finishing plants, electric drive for* 101
Brazilian power project..... 952
Brewing plant, electrically operated*. 364
Brick drill, sharpening*..... 17
Bridge, Hawthorne Avenue, Portland, Ore., electrical equipment of the*.. 1190
Bridgeport, Conn., progress in..... 637
British Contractors' Association, guaranteeing wiring work by..... 212
British electrical inspector of factories, annual report of..... 267
British lamp salesmen, meeting of.... 232
Bronx Gas & Electric meeting..... 1038
Brooklyn Edison Company, new business for 109
Brooklyn Edison sales department, outing of 109
Brooks, Belvidere, to be made vice-president of Western Union 1206
Brushes, Chapin carbon*..... 613
Brushes, lubricating dynamo and motor 114
Bryan-Marsh sales conference..... 328
Buckeye Electric conference..... 424
Buffalo General Electric Building, lighting of, by W. D'A. Ryan.... 605
Buffalo General Electric Company's new building, lighting of*..... 1132
Buildings and Structures, report of American Electric Railway Engineering Association Committee on 729
Bulb for tungsten lamps, new diffusing* 466
Bureau of Electrical Inspection, New York, announcement by..... 6
Burglar alarm 166
Byllesby acquisition in Louisville, new 1070
Byllesby Company, new vice-presidents of 1213
Byllesby & Company, H. M., fourth annual convention of affiliated companies of 1136
Byllesby Luncheon Club holds field day 580

C

Cabinet, interesting method of installing cutout*..... 310
Cable connector, insulating cover for Dossert* 659
Cable for 30,000 volts, three-phase.... 1044
Cable grounds, locating*..... 201
Cable hoists, electric..... 1188
Cable, proper spacing of supports for armored 216
Cable rates, lower..... 485
Cable, use of steel-armored, in wiring small buildings*..... 690
Cables, high-tension underground.... 793
Cables, large submarine telephone*... 662
Cables, underground, by Charles R. Sturdevant 750
California Association of Electrical Inspectors 245, 550
California Electrical Contractors' Association, convention of.....100, 294
California Public Service Commission 165, 360, 456, 600, 696, 792, 887, 935, 1030, 1128, 1178, 1221
California public-utility act (E)..... 194
Canadian nickel mine, electrical installation in*..... 1186
Capitalization of excess earnings (E). 627
Car-barn pits, wiring in, by H. G. Wilson* 1168
Car, double-decked trolley..... 370
Car fixtures, Benjamin*..... 659
Car in Boston, storage-battery..... 854
Car, new type of street..... 564
Car operation, statistical unit for.... 732
Car receptacles, Benjamin*..... 711
Car register, remote-recording..... 232
Car shops, wiring in, by H. G. Wilson* 209
Carbons, flame-arc, by Richard B. Chillas, Jr., and Allen T. Baldwin 606
Carbons, utilizing remnants of arc-lamp 372
Care of direct-current switchboards.. 1217
Carpet cleaning, electric drive for*.... 7
Cars, self-propelled..... 730
Casket works, electricity in*..... 823
Ceiling outlets, wiring to*..... 593
Cells, German dry..... 468
Central Association, of Science and Mathematics Teachers, meeting of .820
Central Electric Company wins decision 994
Central Electric Railway Association, meeting of.....341, 917
Central-station advertising, co-operative* 1165
Central-station advertising in German 970
Central-station affairs in Victoria, B. C. 1116
Central station and contractor..... 113
Central station and the laundry (E).. 481
Central-station bargains..... 11
Central-station business, fields for development of, by Charles J. Russell 609
Central-station companies, how to increase power load of small, by D. Davis 925
Central-station design and labor costs (E) 626
Central-station exhibition at fair made profitable 1071
Central-station house organ, salable.. 879
Central-station load building, by E. M. Fay 557
Central-station men of Louisville hold luncheon 1213
Central-station policy (E)..... 818
Central station, relation of, to prospective customer 795
Central station, relation of, to prospective customer, by E. M. Addis. 830
Central-station salesman, illuminating engineering for, by Ralph Beman* 779
Central-station salesmen, instructions for 1213
Central-station service as a factor in scientific management, by J. E. Bullard 1163
Central-station service in Denver flood* 220
Central-station service in New York City, thirty years of*..... 665
Central-station service, value of commercial department in, by A. F. Douglas 684
Central station, smallest, in United States 941
Central station, some construction rules of a large*..... 1122
Central-station, value of off-peak loads to. Alexander D. Bailey.... 822
Central stations and motor manufacturers, co-operation of, by J. M. Tomb 798
Central stations and the laundry..... 494
Central stations, liability of, for failure of supply, by Maguire and Mooney 1079
Central stations, private..... 586
Central stations, program advertising for 975
Central stations, record load for (E).. 1202
Charge, seasonal adjustment of two-rate (E) 339
Chart, Mazda lamp..... 421
Chauffeurs of central-station vehicles, instructions to 1020
Cheat River, hydroelectric plant on.. 990
Cheese aging, by electricity..... 879
Chicago & Northwestern Railroad, subway transformer installations for* 306
Chicago Board of Supervising Engineers, report of..... 100
Chicago city rules, notes on..... 752
Chicago contractors, meeting of..... 1216
Chicago department of electricity, new rules of 160
Chicago Electric Club.....6, 486, 532, 724, 868, 993, 964, 1031, 1108, 1159, 1204
Chicago Electrical Contractors' Association, banquet of*..... 749
Chicago Electrical Credit Association, meeting of.....868, 1013
Chicago Electrical Protective League, annual meeting of..... 648
Chicago Jovians to have banquet..... 1158
Chicago, municipal subway system proposed for 511
Chicago, new wiring rules of..... 211
Chicago Sanitary District street-lighting substation equipment*..... 807
Chicago Section, American Institute of Electrical Engineers, joint meeting with Electrical Section, Western Society of Engineers.....654, 1042
Chicago Section, Electric Vehicle Association of America..436, 775, 992, 1110
Chicago Section, Illuminating Engineering Society 993, 1118
Chicago Telephone Company, investigation of, by city council..... 899
Chicago, three-wire service in..... 1224
Chicago, tungsten lighting in..... 197
Chlorine, production of..... 772
Chlorine, production of, by Joseph Race 559
Christmas electric appliance sale..... 1071
Christmas, for electrical (E)..... 915
Chrono-kinetograph demonstration... 564
Chronometers and electrical equipment (E) 819
Cincinnati, new telephone building for* 1135
Circuit-interrupting devices for high voltages, by Charles J. Heida*.... 177
Circuit, plan for putting standard in* 310
Circuits, device for making tests for open* 599
Circuits for operating two-wire direct-current dynamos on three-wire system* 448
City Rules, report of American Electric Railway Transportation and Traffic Association Committee on. 731
Clamp, Blecker ground-wire*..... 230
Clamps for circular loom, outlet*..... 1035
Cleveland Electric League outing..... 67
Clothing factories, electrical energy in, by H. O. Stewart*..... 247
Clothing factory, wiring for lights in.. 258
Coal, America leads in..... 941
Coal, Arkansas 132
Coal, at least 1,380 more years of 1224
Coal, economic methods of combustion of 799
Coal, exports of..... 424
Coal in Rocky Mountain states, production of 6
Coal, Kansas 273
Coal lands, government, great values in 1187
Coal mining, electric power for..... 927
Coal-mining system, Hoadley-Knight electro-hydraulic* 274
Coal, Montana 119
Coal, new method of mining and milling (E) 242
Coal output doubled, United States . 686
Coal, Pennsylvania.....71, 220
Coal producer, United States greatest 362
Coal production, Colorado..... 17
Coal production, Iowa..... 409
Coal reserve in United States, vast... 1014
Coal resources of Wyoming..... 292
Coal supply of United States, enormous (E)..... 1010
Coal, Texas 82
Coal washeries 1040
Coast Artillery of the United States, electricity in the..... 1179
Code, changes in New York Electrical 597
Code of Des Moines, electrical..... 547
Coils, peculiar method of repairing spark 17
Color-changing device for lamps on electric signs*..... 900
Color-changing reflector*..... 85
Colorado Eelctric Club..... .....820, 966, 1031, 1166, 1205
Colorado Electric Club men on Denver committee 1078
Colorado Electric Light, Power and Railway Association, convention of 557
Colorado, electrical development in.... 676
Colorado, plan for public-utilities court defeated in..... 987
Columbia Incandescent Lamp sales conference 424
Columbus, Ohio, new system of street lighting for 436
Comb and curling iron, combined electric* 279
Commercial aspect of electrical engineering, by A. A. Day..... 1036
Commercial department in central-station service, relative value of, by A. F. Douglas..... 684
Commercial Section, National Electric Light Association, by T. I. Jones. 506
Commonwealth Edison Section, National Electric Light Association 484, 648, 822. 916
Commonwealth Edison service, electric vehicles in* 1212
Commutator, care of..... 16
Commutators, tool for slotting, by L. G. Frank* 1028
Commutator trouble on railway converter 1223
Company practice before commissions, improving (E) 1154
Company Sections, report of American Electric Railway Association Committee on 726
Compensators and cutouts, mounting, by H. G. Wilson*..... 308
Complaints, adjustment of power (E) 98
Compressors as blowing engines..... 135
Concrete buildings, conduit wiring in reinforced* 1121
Concrete buildings, wiring reinforced. 1032
Concrete, electrolytic action on unreinforced 941
Concrete pole, sectional* 370

Condensers and small lamps in series 934
Condensers, self-sealing 1095
Conduit and fittings, Ovalduct*..... 707
Conduit, bending* 454
Conduit boxes, fastening*..... 164
Conduit boxes, setting..... 164
Conduit construction*..... 1076
Conduit couplings, making..... 310
Conduit, grounding short runs..... 837
Conduit in small building, installing* 350
Conduit job, note on*..... 593
Conduit, note on bending, by Henry Fleishman* 498
Conduit on brick walls, fastening..... 934
Conduit, pulling duplex into..... 599
Conduit, pulling small wires out of*.. 17
Conduit, pulling wires out of..... 310
Conduit terminals behind switchboards 837
Conduit, unusual scheme for pulling wires into underground*..... 982
Conduit wiring in reinforced concrete buildings, by Ben R. Browne*..... 1121
Conduit work, difficult piece of..... 405
Conduit work in reinforced concrete buildings, concealed, by Ben R. Browne* 928
Conduit work, interesting job of*..... 212
Conduits, essential properties of..... 1124
Conduits, Greenfielduct and evolution of 229
Conduits in brick walls, burying flexible 1077
Conduits, making hickey for bending. 934
Conduits on hollow tile, supporting*.. 501
Conduits, plugging ends of 1220
Conduiets, railway..... 1093
Consolidated Gas, Electric Light & Power Company, Baltimore, holds rally 966
Consolidation, benefits of (E)..... 819
Construction in Mexico, electrical.... 1168
Construction, new Portland (Ore.) ordinance relative to electrical.... 259
Construction, substitutions for standard (E) 1153
Contacts for relays..... 693
Continuity of service, by S. D. Sprong. 611
Continuity of service, record of (E)... 482
Contracting, novel use of post-cards in electrical 641
Contracting, remarks on electrical.... 402
Contractor and central station..... 113
Contractor, architect's relations with electrical, by Maurice L. Bisco... 167
Contractor, co-operation with (E).... 818
Contractor, relation of central station to, by Clare N. Stannard..... 167
Contractor, relation of manufacturer to, by G. B. Griffin..... 169
Contractor's creed, electrical..... 886
Contractor's reputation, how it may suffer 642
Contractors, accounting for (E)..... 915
Contractors, among the.....16, 59, 114, 160, 213, 261, 309, 352, 453, 500, 548, 598, 643, 692, 787, 885, 933, 980, 983, 1028, 1124, 1172, 1219
Contractors, laws affecting electrical, by Maguire and Mooney..... 790
Contractors, meeting of Chicago..... 1216
Contractors, system of accounting for electrical, by F. L. Decker*.....832, 883, 929
Contracts, validity of, in cases of rate regulation (E) 289
Control, why not use standard?*..... 454
Controller, water starting and regulating* 134

CONVENTIONS:
American Electric Railway Accountants' Association 733
American Electric Railway Association 628, 678, 725
American Electric Railway Claim Agents' Association 733
American Electric Railway Engineering Association 728
American Electric Railway Transportation and Traffic Association 731
American Electrochemical Society 52, 342, 1188
American Institute of Chemical Engineers 966
American Institute of Electrical Engineers 29, 79, 82
American Society of Mechanical Engineers 868
Association of Edison Illuminating Companies 342, 532 607
Association of Iron and Steel Electrical Engineers.....533, 630, 697
Association of Railway Electrical Engineers 332, 774, 848
California Electrical Contractors' Association 100, 294
Colorado Electric Light, Power and Railway Association 557
Electric Vehicle Association of America 629, 736
Electrical Contractors' Association of Oregon 1014
Electrical Supply Jobbers' Association*.....263, 358, 581, 888, 983
Illinois State Electric Association. 676, 724, 842
Illuminating Engineering Society*. 244, 484, 534, 601

CONVENTIONS.—*Continued.*
Indiana Electric Light Association 891
International Association of Fire Engineers* 705
International Association of Municipal Electricians 438
Kansas Gas, Water, Electric Light and Street Railway Association. 799
Maine Electrical Association..... 245
Mississippi Electric Association... 1158
Missouri Electrical Contractors' Association 100
National Association of Cotton Manufacturers 292
National Association of Railway Commissioners 994
National District Heating Association 74, 125, 916
National Electric Light Association 746, 1156
National Electrical Contractors' Association 55, 100, 167
Nelite Works of General Electric Company 85
New England Section, National Electric Light Association..... .....390, 654, 795
Northwestern Cedarmen's Association 1031
Ohio Electric Light Association*.4, 171
Old Time Telegraphers' and Historical Association 390
Pennsylvania Electric Association. 292, 389, 512
Rejuvenated Sons of Jove.....436, 735
Society for the Promotion of Engineering Education..... 52
Telephone Pioneers of America... .....150, 369, 629, 990
Vermont Electrical Association.. 244
Wisconsin Electrical Contractors' Association 197
Converter, new testing*..... 132
Converters, Westinghouse commutating-pole, rotary*..... 324
Cooking and heating appliances, control of* 326
Cooking, cost of electric..... 109
Cooking, cost of electric (E)..... 435
Cooking economies, electric..... 447
Cooking, electric, as a field for the central station, by H. F. Holland.. 557
Cooking in navy, electric*..... 851
Cooking load from supply point of view, by F. M. Long..... 68
Cooking on inverted electric irons, stands for 686
Cooking rate in England, low..... 109
Cooks, juvenile electric..... 740
Cooper shops, electric in*..... 583
Co-operation among electrical trades, by Albert H. Elliott..... 551
Co-operation, by Washington Devereux 1179
Co-operation in the electrical industry (E) 145
Co-operative advertising service, by R. V. Scudder..... 508
Co-operative central-station advertising* 1165
Co-operative effort, what it can do for electric lighting industry, by F. M. Tait 505
Cooperative effort, what it can do for jobbers, by W. E. Robertson..... 505
Co-operative effort, what it can do for the contractor, by Ernest Freeman 506
Co-operative electrical movement, National Electric Light Association indorses 1204
Co-operative meeting of electrical men* 340, 505
Co-operative newspaper page, by Frank B. Rae, Jr..... 508
Co-operative publications, by J. C. McQuiston 507
Co-operative publicity, by Frank H. Gale 508
Copper, Arizona 419, 951
Copper, California 497
Copper, exports of..197, 364, 773, 870, 1138
Copper from Central States..... 454
Copper imports and exports..... 582
Copper, Montana 424
Copper output, larger Alaska..... 932
